

Owl

Directions: Player one rolls a die. To start your drawing you must roll a #1. When you roll the #1, you can draw the first item. Next player rolls and again must roll a #1 to start. If you do not roll a #1 your turn is over. Continue taking turns but now each time you roll you can draw the corresponding picture with the number. Once you roll the numbers 2-6 your drawing will be complete. First player to complete the drawing is the winner.
